# **Multiple Sclerosis: New Insights into an Old Disease**

**Frederick E. Munschauer, III, M.D.**  
**The Jacobs Neurological Institute**  
**Buffalo General Hospital**  
**Buffalo, NY**

**12:00 noon – 1:00 pm**  
**Sanger Hall, 6-032**

## **OBJECTIVES:**

At the conclusion of the program, participants will be able to:

1. Outline a new understanding of the pathophysiology of multiple sclerosis.
2. List benefits and limitations of MRI as a measure of disease activity in MS
3. Outline risks and benefits of existing therapies.

*The Department of Neurology and the School of Medicine, VCU, gratefully acknowledge Biogen Idec for their generous support of the Neurology Grand Rounds.*

*The Virginia Commonwealth University (VCU) School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.*

*Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.*

*VCU designates this educational activity for a maximum of 1 AMA PRA Category 1 Credits TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.*

*Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability. If special accommodations are needed, please contact [Andrea Perseghin](mailto:Andrea.Perseghin@vcu.edu) at 828-9940.*
