Perisurgical Management of the Patient with Obstructive Sleep Apnea at VCUHS: THE WAKE UP CALL

David Leszczyszyn, M.D., Ph.D.
Director, VCUHS Center for Sleep Medicine
Associate Professor of Neurology and Pediatrics

12:00 noon – 1:00 pm
Sanger Hall, 6-032

OBJECTIVES:

At the conclusion of the program, participants will be able to:

1. Identify perisurgical patients with Obstructive Sleep Apnea (OSA)
2. Recognize how to manage OSA within the disciplines
3. Reduce respiratory complication rates, as well as to decrease length of stay and improve care and safety of perisurgical patients with OSA

The Virginia Commonwealth University School of Medicine (VCU) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

*VCU designates this educational activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.*

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability. If special accommodations are needed, please contact [Andrea Perseghin](mailto:Andrea.Perseghin@vcu.edu) at 828-9940.
