Phenotypic diversity in essential tremor: Do clinical diagnoses hold back research?

Claudia Testa, M.D., Ph.D.
Assistant Professor
Emory University Department of Neurology

12:00 noon – 1:00 pm
Sanger Hall, 6-032

OBJECTIVES:

At the conclusion of the program, participants will be able to:

1. Outline current challenges in defining, diagnosing, and treating essential tremor
2. Describe which other disorders overlap with essential tremor clinically and potentially mechanistically
3. Outline ongoing translational research approaches to essential tremor mechanism investigation and treatment development.

Sponsored by the VCU Parkinson's Disease Center

The Virginia Commonwealth University School of Medicine (VCU) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

*VCU designates this educational activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.*

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability. If special accommodations are needed, please contact [Andrea Perseghin](mailto:Andrea.Perseghin@vcu.edu) at 828-9940.
