Neuromodulation

Kathryn Holloway, M.D.
Professor, Director of Functional Neurosurgery
VCU Department of Neurological Surgery
and SE PADRECC McGuire VAMC

12:00 noon – 1:00 pm
Sanger Hall, 6-032

OBJECTIVES:

At the conclusion of the program, participants will be able to:

1. List the indications for neuromodulation
2. Describe the outcome of neuromodulation
3. Describe the risks and alternatives to neuromodulation

The Virginia Commonwealth University School of Medicine (VCU) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Physicians may claim up to 1 hour in Type 1 or Type 2 CME on the Virginia Board of Medicine Continued Competency and Assessment Form required for renewal of an active medical license.

*VCU designates this educational activity for a maximum of **1 AMA PRA Category 1 Credit™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.*

Virginia Commonwealth University is an equal opportunity/affirmative action institution providing access to education and employment without regard to age, race, color, national origin, gender, religion, sexual orientation, veteran's status, political affiliation or disability. If special accommodations are needed, please contact [Andrea Perseghin](mailto:Andrea.Perseghin@vcu.edu) at 828-9940.
